Benj Pasek, Justin Paul

$\text{♩} = 66$

I'm try-in' to hold my breath      Let it

7  
stay this way Can't let this mo-ment end      You set off a dream in me      Get-tin'

11  
loud-er now Can you hear it ech-o-ing?      Take my hand Will you share this with

15  
me 'Cause dar-ling with-out\_\_you      All the shine of a thou-sand spot-lights,

18  
all the stars we steal from the night sky will nev-er be e-nough      Nev-er be e-nough

21  
Tow-ers of gold are still\_ too lit-tle      These hands could hold the world but it' -ll

23  
Nev-er be e-nough      Nev-er be e - nough\_      for me\_\_      Nev-er, nev-er

27  
Nev-er, nev-er      Nev-er, for me\_\_      for me,      Nev-er e-nough
