Cought me off guard, I with that I'd been so-ber still, here we are,

back in Ha-no-ver niny-ty nine just like old times all o-ver. Un-der the ex-it lights

as beau-ti-ful as e-ver I real-ly wish that I dressed up a lit-tle bet-ter

No re-grets is what we said We can't go back a- gain. Dar-ling,

1. no - bo - dy said that it would last for - e - ver
2. I ne - ver said that we would die to - ge - ther

That does-n't mean we did - n't try to get there
That does - n't mean it was a

lie Re-mem-ber, no-bo-dy said that it would last for - e - ver.

Head in my hands, cold cof-fee on the ta-ble Wish you the best,
